

Covid Vaccine

Please don't call

We will call you

You will get a phone call or a letter when it is your turn

Book the date and make a note of where to go

On the day you will sign a consent form to say you want the vaccine

If you live in a care home the nurse or doctor will come to you

The NHS will contact you when it is your turn.

Don't forget
You need a second dose and will be told when to come back

You can still ask for your reasonable adjustments
