

You have a Pfizer Covid 19 vaccination

At Kingsbridge Medical Centre

- The appointment will last approximately 25 minutes – this includes 15 minutes waiting time after your vaccination. During this time you must remain in the Practice and will be guided to a waiting area.
- Please wear a short sleeved shirt / top under your coat for ease
- **PLEASE PRINT OFF AND COMPLETE YOUR CONSENT FORM AND BRING IT WITH YOU.** If you cannot print the consent form please pick one up from Kingsbridge the day before your appointment
- Because of social distancing rules you will not be able to bring a friend or relative with you into the building. There will be marshals who can help you. If you feel that you should be exempt from this rule please discuss this with the receptionist on arrival
- If you have a temperature on the day, are self-isolating, or are within 28 days of contracting covid please do not attend the appointment and telephone Kingsbridge Medical Practice on 0300 123 1892
